

IWFM Qualifications in Facilities Management

Level 4 Qualifications

For experienced operations managers who are responsible for a range of FM functions. They are also suitable for managers wishing to extend their operational activity. They provide a broad understanding of facilities management and equip learners to identify and use relevant understanding methods, knowledge and skills to address problems that are well-defined but complex and non-routine.

How do they work?

Within each level there are 3 sizes of qualification (Award, Certificate and Diploma). All qualifications are made up of units of learning, which have credit values [see overleaf]. For each unit you will need to complete a work based assessment to be submitted post your course.

In House Delivery

We offer in-house delivery of the Level 4 qualifications for organisations. Please contact us to discuss the program and fees.

IWFM Membership

Non-members receive two years free membership upon registration. Existing and lapsed members will also receive complimentary membership or a studying concession rate, depending on current status. Concessionary rates apply for unemployed learners.
