

IWFM Qualifications in Facilities Management

Level 5 Qualifications

For facilities managers at middle management level who have considerable experience and responsibility for more specialised and complex functions. They develop the ability to identify and use relevant understanding, methods, knowledge and skills to address complex problems. You will develop specialised knowledge so that you can deliver the best results.

How do they work?

Within each level there are 3 sizes of qualification (Award, Certificate and Diploma). All qualifications are made up of units of learning, which have credit values [see overleaf]. For each unit you will need to complete a work based assessment to be submitted post your course.

In House Delivery

We offer in-house delivery of the Level 5 qualifications for organisations. Please contact us to discuss the program and fees.

IWFM Membership

Non-members receive one year free membership upon registration. Existing and lapsed members need to renew their membership if they wish to benefit from membership during the qualification.
