

IWFM Qualifications in Facilities Management

Quadrilect Online Option - Level 3

Level 3 Qualifications

Level 3 is for anyone new to FM with less than two to three years' experience in an FM role, or first line managers seeking an FM qualification. They will help learners to develop knowledge and specific skills in facilities management alongside a wide range of leadership and management skills.

How do they work?

Within each level there are 3 sizes of qualification (Award, Certificate and Diploma). All qualifications are made up of units of learning, which have credit values [see overleaf]. For each unit you will need to complete a work based assessment to be submitted post your course.

In House Delivery

We offer in-house delivery of the Level 3 qualifications based on blended learning (online and face-to face). Please contact us to discuss the program and fees.

IWFM Membership

Non-members receive one year free membership upon registration. Existing and lapsed members need to renew their membership if they wish to benefit from membership during the qualification.

Concessionary rates apply for unemployed learners.

These courses have been designed to help you develop vital business skills for the workplace with adaptable online programs that can fit around your workload. For each module there is a range of learning, exercises to test your knowledge & downloadable resource documents for you to use throughout your career.

The 8 modules provide the tuition for our IWFM level 3 Qualification, so all you have to do to get started is sign up, login and have fun learning.

Module 1 - FM and the Organisation

- What is involved in the role of Facilities Manager
- FM within the context of an organisation
- FM Management functions
